“ Dear Kitty: Very shocked to hear of "Butch"'s passing. I am filled with memories, growing up on the same street in Whiting, having relatives right next door and then those great years at Indiana State, and then your wedding! My goodness, I am truly heartbroken, he was such a good friend and like a 'big brother' to me at ISU, especially during my freshman year. I do wish you well and hope to talk to you soon. With love and fondest memories.....Mike Wytrykus

“ To Kitty & Family,
I was shocked to learn about Ftank's death. I had talked to him right before his surgery. I feel bad I didn't know about it until today when I read the paper. Please let me know if I can help in any way. I understand your pain. Thoughts & Prayers are with you & Your family.

“ Frank and I worked together at Cardinal Health beginning in 1993. Frank was a Sales Rep that I supported. He was an amazing man. He used to drive up twice a year to Illinois to take me to lunch and thank me for what I did for him. He would share his love for his wife and children with me. We would talk about our faith as well. He was a joy to work with and I am thankful to have known him.

You will all be in my prayers, Carol Gray
