

Frank E Nespor Jr

April 10, 2024

Frank Edward Nespor Jr. (61) passed away on the morning of April 10, 2024, after a

battle with liver and lung cancer.

A native of Baldwin County, Frank remained rooted in his community throughout his life.

He graduated from Robertsdale High School and spent many years in the Robertsdale/Loxley area before settling in Bay Minette in 2008, where he remained until the end of his days.

Frank was a proud veteran, serving his country from 1983 to 1986. His service was a

source of great pride throughout his life. He found solace and purpose in his military

experience, shaping his character and instilling in him a strong sense of duty and honor.

Throughout his life, Frank faced many challenges. Despite these obstacles, he remained

resilient and found joy in simple pleasures. He had a deep love for animals and

dedicated himself to rescuing and caring for any that crossed his path. His home was

always filled with the love and companionship of his beloved “fur babies”.

Frank was a lifelong Alabama football fan and passionate about restoring and riding

Harley-Davidson motorcycles. He cherished the weekends spent cheering on the Tide

and found freedom and exhilaration when cruising his bikes on the open road.

Frank's journey through life was marked by the love he held for his family.

Despite the

challenges and distances that sometimes came between them, they remained a central

part of his heart. Frank is survived by his three children, Kyle (Cayla) Nespor, Brandi

Nespor, and Jacob Nespor; one grandchild; and his brother, James Nespor.

Frank is

preceded in death by his mother, Helen Jean Nespor, and his father, Frank Edward

Nespor Sr.

To honor Frank's wishes, he will be cremated and the family will have a private celebration of life. In lieu of flowers, the family invites you to celebrate Frank's memory

in your own way or consider making a donation in memory of Frank Nespor Jr. to the

Disabled American Veterans Association.
