Tribute Wall

“ Having grown up with the Lenz Family in our hometown of Elberta, my memories include Fred and his insatiable appetite for knowing the who, what, where and how of everything. Talking with him was always a challenge and enjoyable on a range of subjects. But I will always be grateful for a phone call he made to me once with his concern over one of my family members. That is the root for 'small' hometown families... we look out for each other. Shall miss seeing his fast paced walk around town.
