“ You were just like a candle, full of light and warm companionship. Now you have returned to the source of this life in faith and gratitude, watching over us as we watched over you. May you be in peace with our sweet Lord.

Thank you for everything you taught me, for the stories and mischief we shared, and for navigating your way through my sprinklers recently and getting absolutely soaked ... we laughed endlessly about it. I will miss you my friend. RIP Mr. Fred, you were a blessing to all who knew you.
