“ I just learned today of Fred's passing and was truly saddened. Harry and I visited Fred while he was living in Florida. And when Harry had some of the USAir guys down to our townhouse in Florida, big Fred was there also. I loved to hear the stories of the guys adventures (the fishing, the baseball games, and Fred on the slide at the water park). Rest In Peace, "gentle giant." That is how I remember Fred. My sympathies to the children.

Thanks Mrs Coble, I think about that water slide trip all the time. I feel very fortunate to have worked with all the guys that dad talked about and had so many good times with. Your husband "Sneaky" as dad would refer to him Jokingly, was a great person and friend.

“ *Fred was a very caring and compassionate person. I enjoyed our conversations about life and family with my brother-in-law. Even with all the suffering and pain he was dealing with Fred always had kind words to share. Fred always remembered my birthday and I will really miss his sweet cards and conversation. Fred is with our Lord and family members that have met the Lord before him. Our thoughts and prayers are with Scott, Erik and Stephanie. We love you!*

“*Fred always finished a conversation by saying, "God bless." It was him who blessed us in so many ways with his kindnesses and thoughtfulness. He was the first to remember a friend at their birthday, during an illness, or just on a lonely Sunday afternoon. Fred faced his myriad of illnesses with bravery and tenacity. He is resting with the Lord and no longer in pain and suffering. We ask Fred to continue to bless us!*

Rest in peace Dad and thanks for being the best Father a child could have. Enjoy the games now from the front row. Love always your son Erik. .

“ A fond memory of mine is my high school graduation. I remember my grandfather flying out to Arizona to see me walk in my graduation. He was so proud of me. I'm glad that he was able to be there to experience that with me. While he might not be able to see me walk at my college graduation, I know that he will still be there in spirit.

“ A fond memory of mine is my high school graduation. My grandfather made sure he would be there to see me graduate and he was so proud. Knowing that he got to experience that with me means the world to me. I know he will be at my college graduation, even if he might not physically be in the crowd.
