

Freddie Patrick Lord

April 20, 1964 - April 6, 2019

Freddie P Lord was born on April 20, 1964 and passed away on April 6, 2019 at home with his family following a long illness with his heart. He was a loving husband and father.

He was the hardest worker I ever knew and fought with all his might right up to the very end. Fred worked construction building bridges and water towers for years and loved every minute of the work he did.

He is survived by his wife of 28 years Angel M Lord and two children whom he loved very much and was very proud of : Alissa and Cody Lord. His family meant the world to him and he always put them above everything else. He will be greatly missed by them.

He is also survived by two brothers, David Lord and Oscar Lord. Also survived by two sisters , Barbara Lord and Patty Lord Jones.

He had several nieces, nephews, cousins, aunts and uncles who he loved very much. He made a friend wherever he went and never met a stranger. He was loved by many and will be dearly missed by his family and friends.

A celebration of life service is being held for him at Freedom Now Church with Pastor John Hodge doing the service. The church is located right before Scott's Marine on Highway 98 heading out of Elberta heading towards Lillian. It will be held Saturday April 14th at 1 pm. Please come and help his family celebrate his life the way he deserves it to be celebrated.

Forever Missed and Greatly Loved,

Angel M Lord

“ Fred, I only knew you a few years but I see a lot of you in your daughter. She is the most warm hearted person I have ever met. She will give the shirt off her back for a stranger. This was the last Christmas we all had together and we still talk and laugh about your “Fredisms” you will forever be in our hearts.

“ Freddie Patrick...all these years and I called him by his nickname "Chinaman" or "Chine". Will always cherish the memory of many morning coffees and conversation when he came by to pick up our grandson on way to work. Knew he and his family all for way too many years. He was hometown friend and school mate of my kids...oh, the stories...and he loved to tell them. He loved his children. Going to miss his grin.
