“ My darling Rick, it seems like just yesterday when you and I sat on the deck in our "cabin in the woods". I miss you each long second that passes. It's impossible for me to realize it has been six years as of today that you left us here on earth. I will deeply love and miss you until we are together again, my soulmate forever.

“ Today it has been five long years without you, my love. I miss you so very much. I feel lost without you. I go through each day almost blindly, no real purpose anymore. I try to put on a happy face when I'm with our precious Lisa and Michael, as well as the grandkids, but it's getting harder everyday. I love you and always will. I can only hope you are at peace with little Rick and Erin beside you. Until we are together again my darling soulmate, I love you more than words can describe.
