“ *I worked at Marley Cooling Tower in Stockton California. I often had to travel to the main office and Glenda and I just clicked. We became good friends. My husband Tom became friends with Danny and they would go site seeing while Glenda and I attended meetings. Glenda was a joy to know. I loved seeing her and Danny as we always had fun together. I will dearly miss her. But if ever I knew someone who would go to Heaven, it would be Glenda. May she rest in the arms of Jesus.*
