“ I remember Glenn from church and school, as a polite and sincere young man. I am very sad to learn of his passing, especially at such a young age. My thoughts are with his family. Sandra M. Stewart

“ He was the first friend I made when I moved to Foley, I remember us going to an Alabama game with his brother I think, every time the car hit 80 the horn would start blaring! We were laughing the entire time! Rest easy old friend
