

## Grayson Weeks

August 1, 2020 - November 5, 2021

Grayson Michael Weeks passed away unexpectedly on 11-05-2021 at the age of 1.5.

Born to Shiane Babinelli on 8-1-2020, Grayson was loving and smart as a baby. When he was 1 year old he immediately became obsessed with giving his momma kisses, playing with his friends, walking and watching shark dog. Some of Grayson's favorite activities were dancing, playing with his friends, laughing, and watching cartoons.

Our family was not expecting the loss of Grayson or for his life to be cut so short so soon. We are devastated by this loss and will feel the absence of Grayson forever. He was the sweetest and most loving soul a person could know and a joy to be around. He will be forever missed and never forgotten. Grayson will always be remembered by his Mother, Shiane Babinelli. His Aunt, Amber Espino (Lauro). His Cousins, Catherine & Raelynn Weeks), & his MomMom & PopPop, Catherine & Michael Moncrief.
