Hazel was a loving devoted Wife, Mother, & Nanny. Her personality was so outgoing free fun and humorous. She never met a stranger. She always loved showing off her babies. She was a very proud mother grand mother and great grandmother and she made that very known. She loved the Lord and loved music, stuffed animals , her soap operas & Endless amounts of pictures. She spent her life as a Homemaker and caregiver for many years to her grandchildren. Her favorite places to be was in Church and with her family. She had a major influence in her family and because of her love and devotion she will be missed more than ever. She was the light and glue of the family.

She made every family event fun and memorable with her fun and silly ways with words. She made everyone laugh and that was her goal when in a crowd. We love you and miss her so much already. Life will never be the same without her.

The family wants to send a special thank you to the staff at South Baldwin Hospital for being so loving and caring to our family during this difficult time.

I wanted to close with Nanny's favorite Bible passage

Psalm 23:

The Lord is my shepherd; I shall not want.

2 He maketh me to lie down in green pastures: he leadeth me beside the still waters.

3 He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

5 Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

6 Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.
