“ I went to school with Henry from third grade through high school, graduating in 1960. Great guy, many, many fond memories. Regina just know you and all your family are in our thoughts and prayers. We love you and hope you can attend our class gathering at some time.

“ I never was inside it. So, I don't know if it was a corn crib, a chicken coop, or a work shed. But, it had a basketball goal attached to the side facing the back porch of the house on Mifflin Road.

*When Daddy (Henry's Uncle Ellis) and I would visit with Uncle Norman Page and family, we'd sit and talk for a while around the coal burner stove and then we'd take walks around the farm. The boys would ultimately wind up shooting HORSE behind the house. It was a tough venue as the old rusty goal didn't have a net and dribbling was made doubly difficult by the need to avoid the chicken droppings.*

*The last time, Henry Earl was a high school senior and I was a sixth grader. So, he had a huge height advantage on me. Yet, true to his nature, he took it easy on me. I admired my cousin for the patience and the kindness he extended to this twelve year old.*

*And, Henry Earl had the sharpest looking crew cut I ever saw.*

*May he rest in peace...*

“ Regina, Ivy, and Family members-I am so saddened over the loss of my sweet cousin, Henry Earl. I always enjoyed spending time with him and there was always plenty of laughter when he was around. He truly enjoyed life and his family. I will miss him.

“ Henry Earl Page. Husband. Father. Grandfather. Brother. Friend. I love my Daddy with all my heart and cannot believe he's gone. My heart will always ache for his hugs and tender sweetness. He always was quick to say "I love you", so I always knew that. And felt that. Even now.

Never forgotten. Always cherished. Always. Many stories will be shared with Liam around the dinner table for decades to come about my Dad. Thank you Daddy...for your love. ❤️

“ I started to school with Henry in 1948 and graduated with him in 1960. He was a very good friend and I will miss talking with him very much. I know Regina and his family will also miss him. We would go to lunch when he came back to Jackson and I guess the last time I saw him was over a year ago. Regina and family, you are in all our prayers. Bob May
