“ I remember the day that I met Henry " Jack "Perry. I was walking around our rv and there was this big man standing on his porch. He asked me if I was a preacher to which I responded " yes I am " how can I help? He began to weep, and by the end of the conversation he rededicated his life to the Lord. And he was on fire for God ever since. This was back in 2017. He really loved the Lord Jesus and he was very much a part of our family and church. He will be greatly missed.
