“ Tina was a truly beautiful child of God. Her love for the Lord radiated from her...her beautiful smile and gorgeous eyes exuded her genuine love for everyone she met. Her kindness, her thoughtfulness and her encouragement always made you feel special. But she was the special one....courageous, strong in spirit and faith that was immeasurable. Her authenticity marveled others at even a chance encounter... She was truly a precious gift from God to so many people. I am filled with gratitude to have had the joy and honor to be called her friend ❤️❤️❤️❤️. I miss you terribly already but I am thrilled to know that you are being held warmly and tenderly by our heavenly Father. Everyone knows that you are his FAVORITE CHILD!!!... LOVE YOU. AI, I know that you have a huge hole in your heart and only our Saviour can feel that empty space...my prayers are that you all will have peace, comfort and strength to survive this time. Tina looks upon you with more love than we can comprehend...that same love that you have for her.

“ I just saw where Tina Passed away. I taught Sunday School at Swift for many years and she was a devoted member of our class. Even when she was dealing with pain and chemo she made every effort to be there. God gained a true angel in Tina. Tina had a wonderful husband in Al who took great care of her. Our prayers are with the family and we will miss her greatly.
