“ *She was a beautiful and loving Godmother. She never forgot me on Christmas, and Easter, and my birthday, and all the other milestones in my life. She was there for my high school graduation even though it was a 7 hour drive. Even in her later years she and Father and Ann were there for my Aunt Vickie's graveside memorial and Father said the prayers. She always had words of encouragement and gifts. How blessed I was to have her for a Godmother. I will miss her and I hold these memories so dear. Love to you all in your time of sorrow, Lynne Marie Petro Jones*
