

## Jacintha Worrell

June 4, 2022

Jacintha “Jackie” Lynn Worrell left this world on June 4, 2022. Best described as a compassionate soul who radiated generosity, Jackie was always caring for others, especially children. She made friends in an instant and always knew how to connect with people on a personal level.

Jackie opened her heart and home to all who needed it, and dearly loved her children, Kristin, Kathleen, Tyler, Amanda, and Hyatt, along with at least 20 foster children through the years that still call her Mom. She took great pride in being Nana to her many grandchildren as well.

Her final years were spent in Elberta, Alabama, where she thrived working at Dollar General and became an indelible part of the community.

Jackie is survived by her children, grandchildren, mother Marbeth, and siblings Beverly, John, Becky, David, Jeffrey, Laurie, Sharee, Linda, and Matthew, as well as a large amount of family, friends, coworkers, and community members that have all been touched by her kindness. May we all be comforted by the memory of her smile.

She is reunited with her beloved husband Michael, father William, sister Krista, and brothers Ron and Jimmy who preceded her in passing. A celebration of Jackie’s life will be held in Tennessee at a future date to be determined.

In lieu of flowers, please consider a donation to your local Court Appointed Special Advocates (CASA) program.

GR

“ We met Jackie and Mike in El Paso, Mike and his dad built our house in New Mexico. They were so much fun to hang out with, we went to see Barry Manilow of course. Jackie and I would go shopping and have lunch dates. We stood in line for a grand opening of the Walmart that opened on the west side of town and we bought cabbage patch dolls. She was a trooper because she was pregnant with Kat. They both were some very special people and we were blessed to have met them . Only Jackie could get my husband to go see Barry Manilow, it was a great show and she sang every song and glowed with happiness, I will never forget that. Rest in Peace with you beloved Michael.
