“ *Sure sorry to hear about this, Jack and I were friends growing up in Bessemer and also went to school together at McAdory. It's been a long while since we've met up but I remember him well. We spent a lot of time together at school and out of school, I lived on Airport LN just below where Jack lived on Fourth Avenue. Again I'm truly sorry for your loss, Jack was not just your friend, he was your best friend! I pray the Holy Spirit comforts you and holds you through these times of sorrow. God Bless all of you!*
