“ This man was one of my daddies very good friends ... the David's lol David Grider and David Adams. He was one of the good people my daddy had in his life. He was always very kind to me and my sister. He and my mom were also old friends. I told my mom it's like a wound has been reopened since my daddy has passed. I just know that I know they are cutting up as we speak, watching the crimson tide play and rocking out to the lynard Skynyrd!!
