“ *Elinor, I am so sorry to learn of Cecil's passing tonight as I checked the obits on the computer. My heart goes out to you and the family as I know what you are going thru these days. My thoughts and prayers are with and for you. Cecil was one of the nicest men I ever met. Even when we were in school in Elberta (a year or so ago???), he was always so friendly and nice to everyone. May our God hold you close these days as you adjust to life without Cecil.*

“ I remember when I would be hanging out at chicks evert summer as a kid and go over and think how cool his Lance truck was. He always let me tag along when he was loading it and I thought that was The coolest! He was such a sweet man and will be missed by many!

“ Howdy neighbor is always how CECIL greeted me. I would hug his neck and the story began. My kids loved being with Uncle CECIL and aunt Doo Doo! Cecil would trick my kids to travel the whole bus route with him and bribe them with candy. But I believe he really wanted to be with his nieces and nephew and treated them to candy on gas day! Corky loved Cecil and he had a nick name for him! I will miss Cecil ; and Doodle just know your little brother has your husband's back! I. I am no surer of anything else in this world!

“ There are so many memories of my Uncles, Cecil (Buddy) , Larry, & Robert, During our hunting days in Deer Park, Al. I loved all my Uncles and Aunts on the Gartman side. I could sit and talk for hours with Uncle Buddy about all the old deer tales and He could tell me on which stand he killed every deer, I'll always keep these memories close to my heart, Rest In Peace Unc I love you very much and you'll be missed by all. Love the David and ELISE Dees Family. 🌸🌸🌸
