

James Meyer

March 22, 2024

James August Meyer, age 85, passed from this Earth after an extended illness to meet his Heavenly Father on Friday, March 22, 2024. His loving and devoted wife, Lynne Link was at his side along with a host of close friends.

Jim was born March 6, 1939 in Milwaukee, WI and lived there for many years. His work in the heating and air industry took him all over the nation and he traveled the world extensively. Jim was recognized for his accomplishments in that industry many times over.

Jim and Lynne met on July 1, 2011 and were happily married for 12 years. They just celebrated their anniversary in February followed by his 85th birthday in March. Jim was a member of First Baptist Church Gulf Shores where he actively served. Jim loved hosting "events" with Lynne and celebrating special occasions, holidays, and other times throughout the year. Jim loved working crossword puzzles and studying the history of the Bible. He was a staunch supporter of the United States of America and the armed forces. Jim would always wear an American Flag on his lapel showing his support of our servicemen and women representing our great country, the

U.S.A.

Predeceased by his parents, Jim is survived by his loving wife, Lynne Link; siblings, children, grandchildren, extended family, and many wonderful friends both near and far. Jim will be greatly missed ~ especially his wonderful sense of humor, his love for his family and friends, and his ability to impart incredible thoughtful wisdom and knowledge to anyone about any subject. Jim loved the Lord, he loved his family and friends, and he was an amazing man who contributed greatly and positively impacted the lives of so many during his time on Earth. To sum it up best with a quote from the grandchildren ...
"Grampa Jim was so smart and he was the best!"
