

James V Boyd Parker

October 19, 1981 - July 25, 2021

James (Jimmy) Victor Boyd Parker was born at Glynn Brunswick Memorial Hospital in Brunswick, Georgia on October 19, 1981 to Victor T. Parker and Elise S. Parker. Jimmy was the baby of six kids. He came into this world fast and kept on running. He had a big heart and would help anyone with his talent for mechanics and carpentry. He was artistic and had a love for drawing. He loved family, kids, pets and was a great friend to many. He was funny, and though sometimes too impulsive, he had the sweetest soul that will long be remembered and cherished by those who knew and loved him.

Jimmy leaves behind beloved sister Candace E. Parker of Oak Harbor, Washington. Brothers Len Love (Beth) of Elberta, Alabama and Sam Love (Jamey) of Lynchburg, Virginia. Sisters Pattie Love of Montgomery, Alabama and Julie L. Waller (James) of Birmingham, Alabama. Nephews Lee, Gardner, Cam and Bailey. Nieces Taylor (Adam), Sarah, Savannah (Chase), Megan and Leah. He was also a great uncle to Lily, Hazel and Luka. Jimmy had his parents, grandparents, great aunt, and many friends taken too soon, awaiting him when he left this earth on Sunday, July 25, 2021. A celebration of life will be planned at a later date.

“Don’t think of him as gone away; his journey’s just begun,

Life holds so many facets; this earth is only one.

Just think of him as resting; from the sorrows and the tears

In a place of warmth and comfort; where there are no days and years.

Think how he must be wishing; that we could know today

How nothing but our sadness; can really pass away.

And think of him as living; in the hearts of those he touched...

For nothing loved is ever lost; and he was loved so much.”

“ I am so sad to hear about the loss of Jimmy. My memories of him will always be his sweet spirit and gentle personality. He had a quiet way and a genuine heart. His smile made you feel happy. He was loved by many.

My sincere condolences go out to his family.

“ To my baby brother Jimmy. You were like my baby when you were born almost 40 years ago. I always wanted to protect you and keep you safe. I wish I could have done more to show you love and protect you in recent years. You were such a talented, funny, smart guy. You were loved by way more people than you realized. Today a lot of hearts are broken. But my heart is trying to be happy that you are with Momma and your dad, and all the others who have left us too early, way too many of those your good friends. I want to imagine you laughing and having fun like I remember years ago with those friends. Please give them all a hug and kiss from me until I join you. I love you so much, Jimmy. Rest in peace and happiness sweet baby brother... your big sister always.. Julie

Oh my baby brother I loved you so much. I know that you knew that. I thought that you were charmed to side step and dodge the foybles forever. You were absolutely brilliant and I waited for you to come into your own. I always told you how brilliant that you were but you side stepped that too. Thank you for being a loyal and sweet brother. I wish that you hadn't kept so much from me. Rest in peace little brother. You will always have a singular place in my heart. I always beilved in you. I hope that you knew how much that you were loved.
