“ Skip (James) is my half brother, but my brother just the same. I am the baby in the family, I turned 65 last March. Skip and I lost touch years ago, about 50 if I was to guess. I thought of him often but was unable to locate him. I just want to send my condolences to the family and wish I could have said goodbye. I loved our early years together in California. RIP Brother, love you. Vicki

“ We met James over 20 years ago. He was a kind and loving person. He was so good to my sister Debbie and a great friend to my brothers Gary and Tim. I know that they will miss him so much but knowing he is no longer suffering is a little comforting. I know he is rejoicing in heaven watching over us all. May God bless each of you with much love from your family in Texas....Jesse, Irma, Domingo, Lori, Jesus Jr., Izabella and Natalie

“ James, I know you will be sorely missed by many, You dedicated many years of your life to serve your country, I and this country is greatfull for your service. Tho you and I often butted heads it was only because we were so much alike ( haha) I wish it could be known that you were an absolutely devoted son in law who loved and cared for my mother (JEAN WARNER) . You loved and cared for your animals and for that I do love you. While you're up in heaven, smile down on me once in a while. Your sister in law Phyllis Warner

“ James, you will be missed by so many. You shared your life with us for such a short time, but your love of life and kindness to all can not be forgotten, just as you will always be in our hearts.

*I didn't get to know you until 'later in life' as those young folks call it, but you have been an inspiration to me and a second brother; my heart is breaking at the same time I see your smiling face and hear you laugh at some funny thing we talked about in our Skype sessions.*

*Your love for your family and friends keeps us going in a time when we might want to otherwise just sit and cry. You will be my 'lighthouse' for as long as I live.*
