

Mrs Janet Price

June 19, 2016

Janet Price, age 77, of Lillian Alabama passed away in June 2016 at her home from peritoneal cancer. Her daughters were by her side and she had the support of her granddaughter and many dear friends and neighbors during her illness.

Born and raised in Michigan. Both her parents worked full-time, so she often spent summers in Kansas at relatives farms. She graduated from University of Michigan and went on to get her M.A. in Education, married Harvey Price, moved to Pennsylvania and worked as an American History Teacher for 30 years, before retiring to Alabama.

She loved to travel with Harvey and their dogs by motor home seeing all 50 states as well as taking trips abroad. She also enjoyed line dancing, walking, knitting, crafting, water aerobics, watching football, spending time with friends, family and laughing. She often helped out on hot air balloon teams, the U.S. Flag Balloon Team and Ham-let, aka When Pigs Fly Team at the Albuquerque Balloon Festival. She loved animals, especially her little adopted dog, SuzyQ, who she treated like a queen. She worked hard, exercised daily and always had projects.

She will be greatly missed by her daughters, Terri, Tonnie, plus, Kevin, grandchildren, Sharon, Justin and Auston and her many friends and relatives.

When first diagnosed she immediately thought of her friends and composed this letter:

Dear Friends,

I was just diagnosed with a whole body full of cancer, right now brain intact. I want to say good bye to all of my friends that have shared their life with me over the years and thank them for what they have contributed to me, making me a much better person. Please don't be sad, I've lived a charmed easy life full of much happiness and success. Please celebrate my life with memories of the good times we've shared together and the great bonds of friendship we have developed.

Love, Janet

“ Janet was a special person. She told it like it was and I liked that about her. She was a kind, truthful person. I will always remember her for her colorful boots in line dancing. I will also miss her standing in the front row ready to dance. She will be greatly missed by all!

“ Will always remember meeting my husband Ken's cousin Janet and family in 1976 in PA. What fun we all had. Memories of BBQ's, holiday get together, her delicious huge cinnamon rolls, watching the football games , hers was Michigan State. Always laughter and having such a good time. Then the kids playing in the snow at our house with the long hills. Loved watching the cars coming down the road on "black ice" and sliding all over knocking down mailboxes and flying up into the yard with snow flying all over. The kids were quite lucky to not have been mowed down by those cars flying up into the yard and not getting hit. After moving to Arizona we missed you all so much.

Loved your mom and dad, Terry and Tonnie. We were so thankful when Janet went to be with Kenny and the kids when he passed away last year. She was so kind and loving in their grief and I really appreciated that. She will be greatly missed but you girls are strong and you are so blessed to have had such a loving and caring mom. Love you both.

“ I appreciate the time we spent together at Albuquerque Balloon Fiesta when she would come out. We had some breakfasts together, she flew in my Space Shuttle. A few years ago, together we watched the world record altitude skydive live on iPads at the Range Restaurant in Albuquerque and cheered. She was a wonderful History teacher (7th grade) and friend. I will miss her.

“ I will so miss Janet. We had so much fun line dancing together! She was one of the reasons I started dancing, I remember when I first moved to Spanish Cove and saw her dancing and everytime I saw her she had on a different pair of cowboy boots that matched whatever outfit she was wearing. I am very blessed to have been able to get to know Janet and call her my friend. My prayers and thoughts are with her and her family.

Such a fun person. Always a smile and upbeat. We had a significant discussion once about going to Detroit shopping as youngsters. Sander's Hot Fudge will always make me think of her.

What a sweet thoughtful lady, my birthday pal. She will be with me at line dance class, beach walks, Palafox Market, having Martinis, shopping and celebrating our birthdays-a week apart. She was there for everyone in her life and will be greatly missed. RIP, Janet.

This is probably the best photo I've ever seen of Janet. You could not wipe that smile off her face walking on the beach! She loved her life in Spanish Cove especially her new home there that she purchased all by herself, as well as the newest RV, her pride and joy. She loved her little Suzy Q. They kept each other going...like the energizer bunny. I will be forever thankful to her for coming to Florida when my husband Ken, her first cousin, was dying and I knew she'd want to be here to be with him. Janet was and still is a tremendous help to me in the grieving process. She was an excellent seamstress and very talented in her crafting skills. I have her presents all over my house and cherish each and every one. Also soo many memories of when Janet and Harvey visited us. She was such a Special Lady! Gone from us way too soon.
