Jean Olivia Adams Baker was born July 27, 1944, in Mobile, AL, and has resided in Baldwin County for nearly 40 years. She worked hard throughout her life providing care for her husband, children, and grandchildren. She was a strong woman with endless determination. She was a talented artist. She was great at painting and drawing and could remake any craft she found. She enjoyed crafting and crocheting with family and friends. She worked every Christmas at Fish River Trees for more than 30 years. She was always willing to help with sports teams and scouting for her children and grandchildren. She spent a lot of her time volunteering with local and regional BSA groups. She volunteered even this year at Boy Scout summer camp at Maubila Scout Reservation. She loved to read her Bible daily in her later years and Agatha Christie books when she was younger. She was a member of Fish River Baptist Church, but more recently had been going to church with her friends and family to spend more time with them. She volunteered her time in Girl Scouts until her youngest daughter was an adult, then worked with her husband and friends helping boys become upstanding men in their community with the Boy Scouts of America. She was an active member of the Red Hat Society in the Sassy Bama Belles group. She loved being around family and friends. She never missed an opportunity to spend time with her grandchildren and great-grandchildren.
