“ Every Tuesday we had a thing, we would watch *Stranger Things* and eat a thin crust Papa John's pepperoni pizza. He died before the last season and almost 3 times a week I almost cry. I miss him so much, and I can't tell anyone about it because they just say the same thing and I don't wanna hear the same thing, I wanna hear him again, I wanna see him again, I wanna joke around in his house again. I lost all photos, videos, and voicemails of his voice and I feel so guilty. I didn't even know it was his birthday and no one told me.

When he died I gained ownership of his dog Scully, she's old but I hope she lives long and peaceful, she is the last thing that was grandpa's and the only living thing.

Happy Birthday Grandpa, I miss you and love you so much. I will take care of Scully and your pocket knife and the car. One day Scully will join you, and she can be your overgrown lap dog once again.

I will add another memory next birthday, goodbye.
