“ Miss jerry so much! True friend and the most talented individual anyone can imagine! An astute gardener, loving husband, and a great sense of humor. He loved his Lord, community, church, pets and many friends! My life was blessed by knowing him. My kids have many memories of jerry teaching them about boating, life, fishing, and the history of the island. As we continue to grieve his passing, we know we will be riding the waves with him in eternal life. God is good, gracious and compassionate to his children! Van
