“ Jerry was a second cousin mine and classmate of and 1968 graduating class of J B Pennington High School. I had many respond with condolences when I announced the passing of Jerry. Jerry was loved by all and shared a great friendship with everyone. Jerry was always a lively and humorous one. I guess I saw him last at our 50th class reunion in 2018. He will certainly be missed. My life was better by having known Cousin Jerry.
