“ *I am truly sorry for your loss. Jill was a friend from school and I can remember riding the bus with her since we lived right around the corner from each other in the country. She invited me for a sleepover with several others and I can remember watching Fritz the Night Owl Movies ☐...she always did have a beautiful smile and was so nice. May she rest easy now*

“ *We shared a time in life that was full of laughter, growing up, and figuring out who we were going to be. Even though life took us down different paths, those memories never fade.*

Jill, I'm grateful for the part of my life you were in. You will be missed, and I'll carry those old memories with me always. Rest easy, my friend.

My sincere condolences to your family 💕💕

“ So sorry for your loss. I was friends with her in school. We did a duet in chorus, hung out, ate candy, played with her dog, and enjoyed each other's company. She rallied our class to have a reunion. Wonderful person.
