“ *My Aunt Jimmiesue RupPe Bailey was a hero for me and my brother . I love her very much and I think about her nearly every day . I'm happy for her because I know she was saved so now she is in heaven with her brothers and my granny Kat that she cared for until she passed . Please keep a eye on us now from up above and from time to time give me a sign to let me know you are watching over me . Until we meet again in heaven I will keep your memory alive in my heart*

“ I gave my mama a lot Gray hairs.
She was always wanting to know how I was feeling.
Ever since Tracy left, she seemed to be trying hard to be happy,too
hard.
Yet ,My Tammys Nanny had started to shine again. I guess after all
these years, Killen with kindness was what she used to show love
when you just won't listen. Very quietly they had me like they
wanted me.
The last time I seen them,they were both grinding ear to ear.
I seen my granny in my Tammys Nanny.

“ Jimmy Sue and I were good friends for many
years and lost contact over the last few years.
She absolutely loved her Children and
Grandchildren. My heart is broken that We
never got back in contact before her passing.
We had some good times over the past 20 years. Big hugs and
Prayers to all of Nanny's family and friends. She will never be
forgotten. R.i.p my friend ,love Renee Lipsey

“ When I was younger my Mom always made sure we had everything we needed and wanted! We didn't have much money but she always made it happen. She had the most giving heart and loved her family! I'm going to miss her so much but I know she is in heaven with my Granny and brother!

Your mother was a trooper. I loved her with I loved her with my whole heart. We went through a lot together and I wouldn't change any of it. She was a good woman and you're right she would do anything for all of her kids and she did she give the shirt off her back to anyone that's just the kind of person she was. She reached out and help and she is going to be missed. Wish I could be there with y'all during your time of loss just know that I'm praying for all of you and I love you all.
