“ I will never forget how he welcomed us into the neighborhood, showed us what amazing neighbors look like, would always bring us something amazing that he grew in his garden, how he would win the heart of my children with rides in his golf cart, have open arms for my son when he just wanted to go to Mr. Jim, how he was there for me and my family in the midst of tragedy. Being there for a beautiful wedding to his beautiful bride Ms. Gina was such a blessing. Ms Gina you have been such an amazingly strong woman in all of this, being there for Mr Jim despite the difficulties, pain and struggles. We have prayed for you and Mr Jim throughout this past year and will continue to do so. Thank you for the example you have set for everyone who knows you and has watched you throughout all of this because you lived out your marriage vows through sickness and in health, in the good times and the bad, for the richer or poor. Mr Jim was so blessed to have you as his wife! Sending our love and prayers

“ I will always remember Jimmy as the great friend he was to me, and to my family. He was strong and kind to everyone that crossed his path. During the short time we lived next door to each other, we became like family. We shared many memories fishing, hunting, BBQ's, and shared family time; with both his and mine. jimmy will be missed. Until we meet again my friend, Rest In Peace.

I met Jimmy on a trip to Tennessee to visit a friend. We became friends over just a couple visits. You just don't meet people like him very often. Wish I had the opportunity to get to know him better. I will always consider him one of the good guys. My condolences to his family and friends. Sam Stewart, CA.

I just found this obituary. I was thinking of Jimmy today. My husband, Jim and I met him in early 2017, while we were looking at his Beech Bluff property. He was so kind to show us around. We talked a few times after that and ran into Jimmy and Gina once when going out to eat and I think he told us then of his diagnosis. It still breaks my heart. I didn't know him long, but he was one of the kindest people you could ever meet. Thinking of the family and Gina. I know he's missed.
