“ Dear sweet Jody. I'm not sure how anyone can pick out just a couple or even a few favorite memories. of you. But I'll try. You were so good hearted and genuine. I will always remember how I was treated by you,, so kind and very respectful. You were such a big old teddy bear. So talented but never boastful. All my memories of you were so very special. You maybe gone from this earth,Jody but you will never be forgotten as you remain in our hearts forever. I was proud to call you nephew. You had such an impact on all who crossed you path. Much love till we meet again.
Aunt Ally, Todd, Sandy, Mikie and Eri.
Much love to you, Kari, Matt and Tiffany and family in my heart and prayers.
