“ *America was better because of Joe Pyle. He will be missed!*
Joe and Jane Creel

Joe Creel - January 03 at 12:37 PM

“ *I first met Joe Dan in 1955, when he was a friend of my older brother, Winston Jackson. Since then we have become friends and visited each other sporadically since. He was one of the really good guys I was blessed to know. I will deeply miss you, Joe. God bless you and rest in peace beside your father in Mexia.*
