“ *From Laura Salinas Westervelt  
I'm Deeply Saddened at the loss of my Uncle Joe. He was a great man. I can say this because I have so many great memories of him. There was time he spent camping with us, stays at our house, my family came to stay for a reunion at his house in Mississippi. Most recently, my now husband and I spent time at the Buccee's with Joe and Sue, we all had a great time. And lastly, The last time we saw Joe and Sue was at my wedding. Thanks for the dance! It meant more than you know. Hoping a peaceful rest for you. We will miss you! I love you!!!*
