“ *Ms. Ward was a Grandma to my son, Jeremy Mund, he lives her so much. He took care of whatever she needed fixed or go after groceries with her or they would just set and talk.. he was so proud to call her Grandma, I met Me Ward a few times, she would always tell me Jeremy was her Angel, he'd getting his wings she'd say, I can say she lived Jeremy. Ms Ward was the sweetest lady, always smiling and very polite, reminded me of my Grandma. We will not ever forget you "GRANDMA". RIP MS WARD! My condolences to the family.
