“ John was one of my best friends from 7th grade through our graduation from Letchworth. We played on the Jr. high basketball team and JV and Varsity football teams together. We worked on several school projects together. After graduation we went our separate ways. John to Tulane on his ROTC scholarship and me to College at Geneseo. John always knew he wanted to be in the navy and I'm glad he was able to fulfill that dream. Ironically it was the Navy that brought us together again later in life. I was working as a civilian employee of the Navy, John was a career Navy officer. Through my work we got reacquainted and caught up.

John's watch ended much too soon. He was a good man and a good friend. I believe in the Navy they say "My you have fair winds and following seas" Godspeed John Buziak, rest in peace.
