“ I appreciated Mr. Cobb’s leadership as Principal of Elberta Middle School. I appreciated his support and creative sense of humor. The handlebar mustache was his pride and joy. Thank you for encouraging me to teach at EMS.

“ John was a very talented man. He was a jack of all trades. SBCT was very lucky to have him in their theater! I will never forget the memories of doing shows with him. He was serious at times but also a comedian when he could. My favorite show we did together was The Music Man. He was the best Professor Harold Hill I will ever see. I told him that one day. He did that head back, “oh really” with a his chuckle and smiled! I will always remember him that way! God bless you Marylin, Celeste, Steve, and all the grandchildren, great grandchildren. He was the best! RIP John! (my forever Professor Hill)
