“ JJ, this is the only place to show you and tell you how much you are loved and missed, by everyone, that you meant so much too. It will be taken down before long, but not because you are forgotten, so just because I (we) can't let you know here, I know I can tell you everyday because I know your still here in soul! I love you, my brother, you always had that light of funniest joking about you. No matter how down somebody was you'd lift their spirits. Always remember you are in my heart everyday and we'll see one another soon. I miss you so much and all our time as children growing up together. Once again I love you, and their is another site for anyone who wants to know, contact me, his sister, tonya Rose on Facebook. Be at peace rosebud! !!

“ *JJ, it's your sis. I love you and wanted you to be the first to know me arms and Stevie are gonna make our life work together! Life's to short to be happy with the ones you love. When I lost you, mom, Kenneth, and daddy, and I realized there's no going back. I miss you so much my brother, honest to God if it was at all possible I'd take your place. I miss you all so much! We'll meet again. I really don't know the facts of what all went on and maybe they're is a reason but I do know you'll tell me when I see you in heaven. I know your at peace now but I'm not. I wished I would have been they're for you more and I'm so sorry for that. I know forgiveness is in your heart because your with the Lord above. I love*
