“ John was such a loving person. He had room in his heart for more. I will miss him so much. We had a special relationship beyond marriage. I will treasure memories of good times together and unique experiences. John looks forward to being awakes from the sleeping state of death to live forever in perfect health here on earth when it is made new. Revelations 21:4. So glad he is no longer in pain or afraid.

“ Fly with the angels Daddy, fly free. You are one of them, undoubtedly. For now, your time here is done, leaving us with only memories of times gone. I was so looking forward to seeing you this year. My Daddy, my hero I feel you're near, filling me with comfort, drying my tears. It's time to go, time to feed your soul, gathering all you know to add to the whole. Gods love cradles you, full of light, your highest you shining bright. Fly free, Daddy. Fly free. I love you with all my heart til the end of time. You're daughter, Pammy.
