“ I also knew Joe because of a game, he is highly missed and loved, it isn't the same without him. Amazing how someone can provide light for someone states or even countries away. Fly High Joe. We love and miss you man. ❤️

“ I knew jo through a game and he was part of our Viking family. He is truly loved by all and is missed. Jo had a way of making you smile no matter what mood you were in. Jo was a true friend and is missed by all.

“ Joe and I never met in person, but we played a video game together. He was funny and kind, just a general all around good guy. We chatted almost everyday, with me nagging him about social distancing and both of us wishing we were nearer to each other just to get a hug. I miss his morning check-ins. I miss his sense of inappropriate humor. I miss him being the happy guy he was, never letting anything get him down. My love and prayers are with his family. Love you Joe. I'll see you again!
