“ Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. With love and remembrance. Joe was a unique individual liked by all. We share in this time of grief, but also share in the love and memories of "Joe Rohe".

"What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget"
