“ I am deeply sorry for the loss of Joey, He was like a brother to me with him being around my brother Fred Hood for so long. He treated as if Mama was his Mama and she loved him dearly. This really breaks my heart and I will miss him. Just know that I am praying for all the family and may God comfort and Bless each of you.

“ Joey lived a couple "doors" down - read, down the road a piece - from my parents in Cassville when the boys were little. I remember him talking to my daddy some. He was really nice.

*Later I had the honor of having the two boys in class.*

*Jody and Rodney, I'm really sorry to hear about your dad. Your family will be in our prayers.*

Joey was a friend to every one. I have always missed working with him. We have had some good times. We worked hard but we played hard and in all occasions Joey kept things light. RIP Joey and my prayers are with Patsy and their families.

So sorry to hear of Joey's death! He was a good friend for many years. We both worked at Plant Bowen, but our friendship began even before that, I guess about 1970. He was a great guy. He will be missed by all who knew him!

Jody, so sorry to hear about your dad. May you find comfort in God's promise from Revelations 21:4: And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Prayers are with you and your family.
