“ We met in Western Civ class in 1975 when she offered me a stick of Juicy Fruit gum. We became good friends and kept our friendship going for 52 years. She was the most loving and giving person I have ever known. Rest in peace my beloved friend.

“ Dearest Anthony,  
What a treasure and a blessing your sweet Mother was to so many. She always had a smile and a hug.  
Remembering when our granddaughters were just starting their tween/teen years and they were visiting us on spring break, we stopped at the store as the girls just wanted to “look”. Your MaMa suggested letting them try on. WoW! Was that ever an exciting time for them.  
Plus she could “tinkle” the ivory keys on her keyboard and did so faithfully at church (many times when she was not feeling good herself.)  
We rest in the assurance of knowing her last breath on earth was her first breath in the arms of her loving Jesus.  
Sending prayers 🙏 of strength and comfort as Jesus wraps His loving arms around you. Hugs of Love - Ron & Erilda
