“ *My mama loved everybody with her whole heart. She didn't do things half way.  
What came into my mind was when she would go with me to the football games at Robertsdale High School. She went because my son Scott played in the high school band.  
She got to where she was cheering for the teams. Yes I said teams not team because she said it wasn't fair to choose one when they were all playing there hardest.  
I told you she didn't do things half way.  
I miss you already mama and like you I loved you with my whole heart. Juanita (Sally) Nita*
