“ Many memories recalled of this wonderful lady known to me as Mum. Mum was always caring of everyone around her. She was such a proud mother of Jason and Jan (my best friend for many, many years). One of my favorite memories was being a part of Jan and Larry's wedding. Mum was so much fun during the entire celebration, we laughed until we were crying with tears of joy, we danced the night away. Forever a fond memory of her. My sympathy to her entire family.
