“ *Although, I didn't get to see my Aunt Karen much. When I was a child and teen, I loved it when my Aunt Karen came to visit. She was always kind to me and I had so much fun hanging out with my cousins. I have a lot of great memories of Karen, and appreciate how she made sure that the distance did not stop her from making sure we were all united. I believe that shows a testament of how much love she held for our family. As an adult I did not know her well. I wish I would have reached out to her more and had told her how much her initiative of those long drives to Iowa brightened my dreary childhood.*
