“ *Kathy never met a stranger. We moved in next door to the Kennerson’s in 2006. We were looking at the house and the previous owners took us over to meet Jim and Kathy as part of them showing us the home. They were the best selling point of the home and I knew right then we would be fast friends. We spent many afternoons talking and sharing an afternoon treat. They treated us like family and our kids became friends with Mike and Mitchell. We were heart broken when Jim and Kathy moved out of the neighborhood and we lost touch when we moved away from Fairhope but the lessons and kindness Kathy and Jim shared we will always remember. To all of the family, we send our sincerest condolences. To Jim, we love you and pray that find comfort in the many wonderful memories of your “Sweetheart”. All our love, Shawn, Kristen, Lindsay and Ryan Burns.*
