“ Kathy was a kind and caring individual. She and I worked together at Hughes Aircraft for years and she introduced me to my oldest son's dad. We shared happiness, tears in good times and bad. Her boys were around the same ages as mine. Kathy will be sadly missed by friends and family. She will forever be her families guardian angel. Rest in Peace my friend.

“ I've known this lovely lady almost my entire life as a child she was friends with my mother as an adult we've shared in raising children together. She always gave the best advice and was also there when you needed an ear or shoulder. I am proud to have known her. Jimbo, Savannah, boys, young ladies of their lives and grandkids as well as the entire Willis and Williams families, your loss is certainly one that can only be bridged by the rest of us. I love you all and will forever be here for you. Vicky
