“ I met Katie 30 years at the Davenport FOE and oh the memories and fun we shared in our younger days ! Katie always had a contagious smile and laugh that was contagious. Her and Terry (beloved husband) always made you feel welcome ...the last 6 years we had the joy to reconnect as we wintered in Gulfshore and joined the FOE in Gulfshore Alabama ,that Katie and Terry started . We were blessed to have Katie in our life as she gave so much love and joy and we enjoyed her friendship and always Katie was proud of her family and children and grandchildren and always light up when she talked of her family! You are in our thoughts and memories (our loved ones are always with us) . Terry, may your precious memories and the sympathy of friends help to comfort you at this time . Love n Friendship, Deb and Tm Heim
