Katie loved her faith and her church. As her children grew and were involved in lawn party entertainment, cheerleading, sports, school band, Christmas programs, proms and much more, she was always there to support us. She would work all day and then work tirelessly into the night to finish an outfit, a prom dress, school uniforms, a doll dress or confetti eggs for a lawn party booth, and so much more without a complaint. She changed so many diapers and helped us care for her grandchildren and taught each of us how to care for those babies. Sunday dinner was always a wonderful treat which was started before church and let us not forget her famous potato salad.

In their retirement years, Katie and Ed traveled all over the world, visiting different countries and cultures, touring historical places or just dancing on a cruise ship with their travel club buddies. She loved old movies, playing bridge, having parties, and going dancing every chance she could with the snowbirds each winter. If music was playing her feet were moving. There are so many memories that include momma and are so special to each of us.

We would like to acknowledge some wonderful ladies who have so tirelessly taken care of our Momma: Casey Maddox, Mary Biars, and Debbie Adams. We could not have done it without you. You all have cried with us, laughed with us, and loved Mom and Dad as much as we do. We would also like to thank the staff of Home Care Companions, Amedisys Hospice, and Dr. Morrar. You all have been such a blessing.

Thank you all for joining in our celebration of life for our Momma. It means so

much to us and please share as many stories as you can with us.

Our love to all,

The Adler Family

Nancy, Ron, Joan, Jane and Shirley

“ Aunt Katie was a wonderful hostess, always gracious and made everyone feel special. Her gumbo was the best! She and her twin, my mother, had some wonderful times together in retirement and would pray and share their faith whenever they got the chance.
