

## Ken Reamer

January 20, 2021

Our dad, Ken Reamer passed away early January 20, 2021. He was born the youngest of 16 children in Kansas and they moved to the Florida panhandle when he was a child. He graduated Tate high school, then went on to Pensacola Community College before transferring to Auburn University where he graduated.

He could best be described as easygoing, patient, and supportive. He is described by his friends and family as being kind with a “calming voice and a twinkle in his eye.” He taught us about hard work and integrity.

One of our favorite memories is the little laugh he would do when trying to hide crying when watching an emotional movie including “Space Jam”.

His hobbies included gardening, cooking; he made the best chicken and dumplings and was always looking for new recipes to try, travel, watching football ( Especially Auburn tigers), and being around family and friends. He

loved ice cream and cookies.

He will be fondly remembered by his children: Andrea Shull, Kevin Reamer (Stephanie) and his granddaughter Emily, cat Hobo, family, and friends.
